

# CloudMatrix Proposal for Test Corp

Compatibility Score: 100%

## Executive Summary

CloudMatrix is an excellent fit for Test Corp as we fully support all requested requirements, including 99.9% uptime and 24/7 support. The Business tier is the most appropriate recommendation as it meets the 24/7 support and uptime requirements without the need for the full Enterprise suite.

## Key Strengths & Met Requirements

Met Requirements:

- 99.9% Uptime
- Automated backups
- 24/7 Support

## Gaps & Unmet Requirements

Unmet Requirements:

## Pricing & Investment Details
